

## Descent

Godflesh

Take my soul  
Take my body  
Take it all  
Make your money  
It's all just you  
Put me down  
Rape my purity  
For your security

I can't give  
I can only take  
I can't love  
I can only hate  
All I believe in  
Is just fake  
But it keeps me believing  
For sanity's sake
