

For Life

Godflesh

I'm feeling, unneeded,
I'm seeing, believing,
so that I can be but nothing else,

maybe I'm a loser, no victory,
I'm in it for life
'cause I'm in it for life.

Deceiver, believer,
can't finish what you've started,

try feeling the pain of someone who suffers more,
I feel the pain of everything, it's what I am,

I'm in it for life,

and I feel it for life,
I'm in it for life,
I feel it for life.
