

## For Those About To Rock

Godflesh

Stand up and be counted  
For what you are about to receive  
We are the dealers  
We'll give you everything you need  
All hail to the good times  
'Cause rock has got the right of way  
Gonna let you go tomorrow  
We're living for today

For those about to rock, we salute you  
For those about to rock, we salute you  
We rock at dawn, like a hurricane  
Like a bolt right out of the blue  
The sky's alight with the guitar  
??? will roll down, roll down on you  
We rock at dawn, like a bolt right out of the blue

A battery for hire, with a guitar fire  
Aimed at you old friend (???)  
Pick up your guns, a twenty one
