

## Kingdom Come

Godflesh

i'll give you space  
as you chain me down  
i won't let go  
but you'll let me fall  
i'll see your way  
as you avoid mine  
i'll give in  
so you can walk on me  
i'll close my eyes  
so you can sew them shut  
i'll keep the faith  
or you'll crucify me  
if i can believe  
then you'll believe in me
