Someone Somewhere Scorned

Godflesh

Someone somewhere scorned Never will forget Someone somewhere scorned Never can forget

Burning, No desire No friends, Inside my mind

I'll never change, Yet still you burn
I'll never change, And I feel scorned

Burning, In our mind Inside my mind, Burns desire

Burning, No desire Your mind, Inside my mind

I'll never change, And I feel scorned
I'll never change, I must be burned
