

## **Spite**

**Godflesh**

See me, Feel me, Hear me  
You just ruin me  
Hate me, Forget me, You don't see me  
Come on feel my spite

See me, Feel, Hear me  
You just fuck me  
Hate me, Forget me, You don't see me  
Come on feel my spite

Feel me, See me, You hear me  
You just ruin me  
Forget me, Hate me, You don't see me  
Come on feel my spite

Come on suck my spite...

Come on feel my spite...
