

Inside You

Godhead

I'm no reaching into you
Everything you do
Leads to my disgrace
Show me your face

I can see myself inside of you
I can see myself inside of you

What's beneath your flesh
Hate you can't express
I can trick myself
Like everybody else

I see myself inside of you
I can see myself inside of you

Look inside my head
Imbedded with the knowledge
Deep with in my skin
That I will never know where to begin

Your image is above me
Far and beyond my reach
I stand alone and wait for you to teach

I'm obsessed with everything you do
I won't stop till you say it's through

I can see my self inside of you
I can see my self inside of you
