

## The Sporting Life

Godley & Creme

Are you bored?  
Are you jaded?  
Has all the enthusiasm faded?  
Are you one of those people  
Like glazed fruit  
Who sit there in shell-shock  
Till the dot on your screen disappears?  
Are you one of those people  
Or are you just afraid?  
Are you one who craves excitement  
Were you tailor made  
For this sporting life?  
Living on a knife edge  
This sporting life's forever changing  
Are you one of these people?  
The keys please quick  
Every second counts  
I've signed the book  
Gimme the keys  
The elevator opens its mouth  
Like Jonah and the whale  
The elevator spits me out  
Into a freak show  
It's a freak show  
And into a swarm of flies  
Do.....do not disturb  
Do.....do not disturb  
The sign on the door read:  
Do not disturb  
Strange looks from the bellman  
As he takes me down the hallway  
through a fire door to a stairwell  
Skidding, skidding, skidding, skidding  
Out of control, out of control  
Do.....do not disturb  
Do.....do not disturb  
The sign on the door read  
The sign on the door said  
The sign on the door read  
Do not disturb  
This is the Bad Samaritans  
Hello loved one  
Sorry there was nobody here  
To take your call personally  
However, we understand  
What you're going through  
How you've traveled life's highway  
With your smile on upside-down  
And now you think you've found  
The ultimate answer to all your problems  
Don't be hasty  
Why waste a life  
Wait until there's a crowd down below  
Give a little when you go  
Are you one of these people?  
Jump jump jump jump jump.....  
There's a fruitcake in the window

Someone fetch the cops  
For God's sake get a camera  
Before the bastard drops  
A little to the left  
A little to the right  
A little to the left  
Maybe tonight's the night  
Why are we waiting?  
We're waiting  
A little to the left  
Right down the middle  
A little to the right  
X marks the spot  
You ain't gonna be  
On This is Your Life's tonight  
This sporting life  
Needs organizing  
We'd gladly lose the cup  
If we could stick the knife in  
This sporting life  
This sporting life  
This sporting life's forever changing  
Are you bored?  
Are you jaded?  
Has all enthusiasm faded  
Are you one of those people?
