

# Keep Away

Godsmack

Sickness spilling through your eyes  
Craving everything  
That you thought was alive, yeah  
Stab me yeah, in my heart again, ah yeah  
Drag me through your wasted life  
Are you forever dead?

Do like I told you  
Stay away from me  
Never misunderstand me  
Keep away from me

Twistin' everything around that you say, yeah  
Smack me in my mouth  
200 times every other day  
Oh, rag me, I don't hear you anymore, not yet  
Find out what it means to me  
I don't know who you are

Do like I told you  
Stay away from me  
Never misunderstand me  
Keep away from me

Do like I told you  
Stay away from me  
Never misunderstand me

Draggin' on so lonely  
Aren't you tired baby? Yeah  
Breathing life into your lungs  
Are you immune to me?

Do like I told you  
Stay away from me  
Never misunderstand me  
Keep away from me

Do like I told you  
Stay away from me  
Never misunderstand me

Keep away from me, oh yeah  
Never misunderstand me  
Never misunderstand me  
Never misunderstand me
