

# Love-Hate-Sex-Pain

Godsmack

In this life I'm me,  
Just sitting here alone  
By the way I tried to say I'd be there  
For you  
Walk the silent emptiness  
That leads me by my hands  
And throw away  
What I don't understand, as a man

Love-Hate-Sex-Pain  
It's complicating me sometimes  
This love-Hate-Sex-Pain  
it's underestimated lies

And I wonder as I tear away my skin  
It's taken me so long to stitch  
These wounds from where I've been  
And mother please don't bury me  
I'm begging for my life  
It's hard to say that I will be complete  
Before I die

Love-Hate-Sex-Pain  
It's complicating me sometimes  
This love-Hate-Sex-Pain  
it's underestimated lies

Don't you worry please  
Don't you leave me  
Because I surely slip away  
Though love, hate, sex, and pain  
I fall away into  
Love, hate sex, and pain

Love-Hate-Sex-Pain  
It's complicating me sometimes  
This love-Hate-Sex-Pain  
it's underestimated lies

Love-Hate-Sex-Pain  
It's complicating me sometimes  
This love-Hate-Sex-Pain  
it's underestimated lies
