

Mistakes

Godsmack

No, I don't feel a thing
Life's going by me and still I say
Oh God, I'm making the same mistakes

Low I'm on empty
Try to erase all the bad times
Free I don't seem to be
My soul remains tied to your life

Every breath you breathe deep
I feel you circulating through me
I'll never forgive myself again
I'm so sick and tired of making the same mistakes
Ohh, same mistakes, yea

God help me
God help me
God help me
