Godsmack

Sometimes we only live for the here and now  
Sometimes we're lonely  
Sometimes we feel we need a place to be grounded  
Or fly away again

I will fly away again  
I will fly away again

Why are we feeling something's familiar around us?  
Are we just dreaming?  
Always we search for the answers but nothing is found  
We'll fly away again

I will fly away again  
I will fly away again

I feel rain pouring down  
I wait to rot away  
Live again  
Here forever  
The spiral never ends

Rot away  
Live again  
Here forever  
The spiral never ends

I feel rain pouring down  
I wait to rot away  
Live again  
Here forever  
The spiral never ends

Rot away  
Live again  
Here forever  
The spiral never ends

It never ends

I will fly away again  
I will fly away again  
I will fly away again  
I will fly away again
