

Straight Out of Line

Godsmack

There's no reason, there's no compromise
Change in seasons, living the high life
I don't know you, so don't freak on me
I can't control you, you're not my destiny

Straight out of line, I can't find a reason
Why I should justify my ways?
Straight out of line, I don't need a reason
You don't need to lie to me

I'll confess this you're my tradgety
I paid you to rest this as fast as you turned on me
Gone for ever, vanished the memories
This face of pleasure are masked by your misery

Straight out of line, I can't find a reason
Why I should justify my ways?
Straight out of line, I don't need a reason
You don't need to lie to me, lie to me

Straight out of line, I can't find a reason
Why I should justify my ways?
Straight out of line, I don't need a reason
You don't need to, don't need to lie to me
Lie to me, lie to me, lie to me
