

Pala Tute

Gogol Bordello

Caravan is comin'
All guitars are strummin'
Chief is sitting high
With gold across the chest
I'm just a little chavo
I don't even own a guitar
But mama they got girl
That I love the best

Lela lela lela
Lela pala tute
Jas kana meres
Merava pala late
Lela lela lela
Lela pala tute
Aaaaaaaaaaaaaa hey

Lela lela lela
Lela pala tute
Jas kana meres
Merava pala late
Lela lela lela
Lela pala tute
Jas kana meres
Merava pala late

Carnival is comin'
All guitars are strummin'
And says old hitano
Boy, forget about the bling
Here is a guitarra
For you little chavo
If you slave to kissing
You gotta play this thing

Lela lela lela
Lela pala tute
Jas kana meres
Merava pala late
Lela lela lela
Lela pala tute
Jas kana meres
Merava pala late

Caravan is leavin'
And her breast is heaving
Lord this kind of love
Can not be untrue
I'm a little chavo
But I learned one thing
Girls they like the kissing
As much as we do

Lela lela lela
Lela pala tute
I'm dying dying
Dying after you

Lela lela lela
Lela pala tute
Girls they like the kissing
As much as we do

Lela lela lela
Lela pala tute
Jas kana meres
Merava pala late
Lela lela lela
Lela pala tute
Jas kana meres
Merava pala late
