

## Baby Dynamite

## Golden Earring

With a dream in her pocket  
Flight ticket in hand  
She's going off to the crazy land  
Green pastures, like blankets unfold  
Out the door and down the hall

Crazy river, with a cold shiver  
Deep in water she dives  
She's got herself involved  
And now it's evolved  
Into interstellar overdrive

Well I know she's got a talent for finding me  
When she happens to be in the vicinity  
She'll be on the phone  
When the dancin' is done  
Probably all alone

My baby dynamite  
Your lucky stars are out tonight  
And your cards are on the table  
All the odds are in your favour  
Dynamite  
Heaven says you're doin' alright  
With a heart that's shaped like a diamond  
You've been cut for the assignment

Don't be a moth, hidin' pain  
When your wings go up in flame  
Money is a rocket, blow it sky high  
The more you get, the more you fly  
Green pastures that unfold  
A future carved out of solid gold

Found in a river, hidin' a treasure  
Impossible to find  
And your soul's sold to the payroll  
While it's tryin' to have a good time

Stayin' up, walkin' around  
Talkin' muscle and makin' sounds  
Like baby dynamite  
Your lucky stars are out tonight  
And your cards are on the table  
All the odds are in your favour  
Dynamite  
Heaven says you're doin' alright  
With a heart that's shaped like a diamond  
You've been cut for the assignment
