## **Beautiful Blue**

## **Golden Earring**

They got gadgets for sale, pretty girls Fat motorcycles and fast cars too They got the coolest fashion in fishing gear Everybody's hooked on cannibal food Everybody's hooked on cannibal food Everybody's hooked on cannibal food oh yeah

They all live together in this crazy town Wide awake and waiting for you G-strings up their pretty cracks And pussies shaved as smooth as glass Pussies shaved as smooth as glass Pussies shaved as smooth as glass oh yeah

The only way to save your life Is to run away with the speed of light To run away with the speed of light To run away with the speed of light This place was made to kill you It's name was meant to fool you

Beautiful blue

They got nightclubs on fire, say no more Sick individuals in stereo The next thing to crackin' is expensive fear Everybody diggin' for the virgin blow Everybody diggin' for the virgin blow Everybody diggin' for the virgin blow oh yeah

Living together in this crazy world Wide awake and waitin' for you They got giant dicks hanging down their slacks And smiles that swing like modern jazz Smiles that swing like modern jazz Smiles that swing like modern jazz oh yeah

Well the only way to save your life Is to run away with the speed of light Is to run away with the speed of light Is to run away with the speed of light This place was meant to kill you It's name was made to fool you

Beautiful blue, beautiful blue Beautiful blue, beautiful blue Aha, aha, aha, aha
