

# Bombay

## Golden Earring

Bombay seems lost in dreams  
When the pipes let off steam  
In a backroom, somewhere anywhere in L.A.

Next payday comes, I'll be gone  
By boats and planes, it's pre-arranged  
You can't catch me, I'm on my way back to Bombay

Bombay, bombay, bombay, bombay  
Bombay, bombay, ain't gonna leave no trace  
Bombay, bombay, gonna wash away my face  
Bombay, bombay, in the Bombay river  
I'm gonna settle, I'm gonna stay in Bombay

I'm gonna trade my past for a new life at last  
Sit back and have another blast, if I die  
Kamasutra's the reason why  
Kama, kama, kama Sutra I surrender, I surrender

Bombay, bombay, bombay, bombay  
Bombay, bombay, ain't gonna leave no trace  
Bombay, bombay, gonna wash away my face  
Bombay, bombay, in the Bombay river  
I'm gonna settle, I'm gonna stay in Bombay  
I'm gonna settle, I'm gonna stay in Bombay  
Bombay, bombay, bombay, bombay
