

## Don't stay away

Golden Earring

What am I thinking high in mind  
Don't you see me all the time  
Don't you forget all the words I say  
Don't stay away  
Girl, don't stay away and be true to me  
Don't wanna hurt me so I'm afraid  
That you're not telling me a lot of things I hate  
Maybe you'll understand me when I say  
Don't stay away
