

Dream

Golden Earring

Suppose she will love me
Yeah I feel fine
'cause there's nothing in the world
That will change my mind
I can't stand to feel the pain
That she walk away
That it's all in vein
But when I awake
I look outside
Now it feels cold everywhere
Can't find my pride
She just lived a simple dream
And she doesn't know
What she means to me
It's just a dream
A dream to have her
This dream to which we fall in love
And it will stop the moment
And then it's real
It's funny how you know what you feel
