

Heartbeat

Golden Earring

It's move groove, move movin' inside of me
With a steady beat, I repeat steady beat
My little muscle man, little power-plant, don't step on it
Nothin' to compete, with that piece of meat, so complete

Here comes your doctor Moore
Best one you can afford
The good doctor's remedy
Don't need no education
Don't need no dedication
But I need my heartbeat

After makin' love next to me, I can feel your heartbeat
I love that motor drive, just for keepin' you alive
Mine's big enough and bad enough for the two of us
It's a dynamo, it's ruthless

Here comes your doctor Moore
Best one you can afford
The good doctor's remedy
Don't need no information
Don't need no conformation
But I need my heartbeat

It's move groove, move movin' inside of me
With a steady beat, I repeat steady beat
My little muscle man, little power-plant, don't step on it
Nothin' to compete, with that piece of meat, so complete

Here comes your doctor Moore
Best one you can afford
The good doctor's remedy
Don't need no imagination
Don't need justification
But I need my heartbeat
