

# Jangalene

Golden Earring

Jangalene, you're my queen  
Well I can't get next to your love machine  
Well Jangalene, you're my queen  
My soul can't feel what my eyes can see

Oh, Oh, Jangalene, Oh, oh, Jangalene  
Oh, Oh, Jangalene, Oh, Oh, Jangalene

Drivin' all night in your Cadillac  
Showing your beauty you're drivin' me mad  
Maybe you're a dream flashin' by  
But I trust my eyes, they are tellin' no lies  
From the Sunset Strip to a Sausalito Bar  
I follow you down in my second hand car

Oh, Oh, Jangalene, Oh, oh, Jangalene  
Oh, Oh, Jangalene, Oh, oh, Jangalene
