

# Johnny Make Believe

Golden Earring

Waitress, more wine  
We celebrate, the life and times of Johnny Make Believe  
He was the greatest liar, of all mankind  
The biggest drunk, you ever saw alive  
He was a devil, undisguised  
He will be sorely missed tonight

And the next day, will never be the same  
Without the beautiful Johnny Make Believe

So let's get high, laugh till we cry  
Always remember, his last words  
"farewell cruel world, all you pretty girls,  
Don't send me flowers, hold me in your dreams"  
And then the spirit in the bottle  
Took our Johnny for a ride  
Come on waitress, pour us more wine  
To drown our grief  
For Johnny Make Believe

He tattooed my heart, branded my soul  
He said: Go for true love, not for fool's gold

So let's get high, laugh till we cry  
Always remember, his last words  
"farewell cruel world, all you pretty girls  
Don't send me flowers, hold me in your dreams"  
And then the spirit in the bottle  
Took our Johnny for a ride  
Come on waitress, pour us more wine  
To drown our grief  
For Johnny Make Believe
