

## Landing

## Golden Earring

When daylight and nighttime feel the same  
It's time for your mind to play a game  
Close all your eyes and touch the air  
Reach for a hand that must be there  
You know how it fools you  
And you know how it is  
To be one of those people  
Who don't know what they miss  
You can hide away from reality  
And escape

Yesterday I felt it  
And the first thing I thought  
Never let go  
I held it as close as I could  
When it didn't grow like it should  
And then, after hours, I opened my head  
I found myself back on the floor near my bed  
Nothing has changed, it was all the same again  
The same again

When daylight and nighttime feel the same  
It's time for your mind to play a game  
Close all your eyes and touch the air  
Reach for a hand that must be there  
You know how it fools you  
And you know how it is  
To be one of those people  
Who don't know what they miss  
You can hide away from reality  
But you can't escape
