

Move Over

Golden Earring

You say that it's over babe
You say that it's over now
But still you hang around me, come on
Won't you move over

You know that I need a woman
You know that I need a girl
But when I ask you to, you just tell me
Leave me be again

Please don't you do it to me babe, no
Please don't you do it to me
You can take this love I offer, or let me be

I ain't quite ready for walkin'
I ain't quite ready for walkin'
What's a poor boy gonna do without
Without this thing I'm in

Ah, make up your mind
Darlin' you're playin' a fool
Make up your mind
You're playin' a fool
No need to play my lovin', woman
Every one is lovin' me

You say that it's over babe
You say that it's over now
But still you hang around me, come on
Won't you move over

You know that I need a woman
You know that I need a girl
But when I ask you to, you just tell me
Leave me be again

Please don't you do it to me babe, no
Please don't you do it to me
You can take this love I offer
Or let me be your girl, oh let me be you're girl

I want you to let me be
Honey you're teasing me
Girl you're playin' with my heart, babe
You're toying
