

My Little Red Book

Golden Earring

I just got out my little red book
The minute that you said goodbye
I thumbed right trough my little red book
I wasn't gonna sit and cry
And I went from A to Z
I took out every pretty girl in town
They danced with me and as I held them

All I did was talk about you
Hear your name and then I start to cry
There's just no gettin' over you, oh no

There ain't no girl in my little red book
Who can ever replace your charms
And each girl in my little red book
Knows you're the one I'm thinkin' of
Oh won't you please come back
Without your precious love I can't go on
Where can love be, I need you so much

All I did was talk about you
Hear your name and then I start to cry
There's just no gettin' over you, oh no

I just got out my little red book
The minute that you said goodbye
I thumbed right trough my little red book
I wasn't gonna sit and cry
All I did was talk about you
Hear your name and then I start to cry
There's just no gettin' over you, oh no
