

## One Huge Road

Golden Earring

Sunshine, I'm late back and happy  
I wish I could stay here forever  
When the sun's gone  
I just can't be lazy  
Gotta move on, to see my baby  
So I pack my things and I'm going  
To the highway, going on my way  
Gotta move on, the road is much too long  
Much too long  
One huge road for me
