

Pouring My Heart Out Again

Golden Earring

Another hour past midnight
Moonshine through the skylight
The bottle's empty and my mind is full
Of your ghost that keeps hauntin' this room

And I could spend all my life
Just sittin' here paralyzed
And I could spend all my life
Waitin' for you to materialize

Love was the only thing
I always felt for you
Bigger than anything
Baby I die for you

Hold me cause I think I'm falling
Like rain on a Monday morning
And when it rains I'm pourin'
My heart out again

I can't remember, I can't forget
I can't see 'cause my eyes are wet
The bottle's empty and it says: you fool
How many tears do I spill for you?

I could spend all my life
Just sittin' here paralyzed
I could spend all my life
Like a thorn of glass in your eye
