

## Tears And Lies

Golden Earring

Tears and lies  
Show me your land  
Of hope and dreams  
When she cries  
I know it's not  
The way it seems

I can go on  
When I came home  
Everything looked  
The same old way  
She was alone  
Asked me again to stay  
I can go on

People they said things I didn't believe  
I love her, I love her so I couldn't leave  
From her side  
If she could only  
Tell me the truth  
There will be harm  
I have to loose her anyway

Tears and lies  
Show me your land of hope and dreams  
When she cries  
I know it's not the way it seems  
I can go on
