## The Switch

## **Golden Earring**

So when all things come to an end Deadly switches all close at hand Make your dreams and duties mingle Laws and morals are finally bend Holy switch, will you defend

Switching all the time Switching ain't no crime Gotta change the climate Gotta raise my rate You see a boy in motion Is never much too late

Switching's easy
Oh it's essential and you know
When you flick it
You can start a new episode

Warm love can costume hatred And the truth could be a lie Yes a man can switch to a lady Of indiscrete last goodbyes And a blade can switch behind you

When you expect shells from the sky Oh you go when it's your time

Switching down the line Switching ain't no crime Gotta change the climate Gotta raise my rate You see a boy in motion Is never much too late

Switching's easy
Oh it's essential and you know
When you flick it
You can start a new episode

Switching's easy
Oh it's essential and you know
When you flick it
You can start a new episode

Switching's easy
Oh it's essential and you know
