## Are you ready for the power

## **Golden Resurrection**

Are you ready for the power!

Are you ready! Are you ready! Are you ready! Ready for the power!

We're on the road Travelling far See new faces, see new places This is our mission This is our passion Are you ready It's time for some action

We are the servants We are the soldiers God is our captain We'll bring you the music

We care for you We love to play so raise up your hands J.C - the Only way

We're gonna rock this place, Comon' Are you ready for the power We're gonna rock this place, Comon' We will take you higher

In God we trust
We are believers
On (the) stage we're proud
We sing about Jesus!
Holy fire is burning Higher
We'll never stop
Never getting tired

We care for you We love to play so raise up your hands J.C - the Only way

We're gonna rock this place, Comon' Are you ready for the power We're gonna rock this place, Comon' We will take you higher

We're gonna rock this place, Comon' Are you ready for the power We're gonna rock this place, Comon' We will take you higher We're gonna rock this place, Comon' Are you ready for the power We're gonna rock this place, Comon' Are you ready for the power!!!

Hey hey hey hey hey !!!

Are you ready for the power
