

## Flaming youth

## Golden Resurrection

Attention now all boys and girls  
Take the chance to be the one  
You were planned to be  
It's a mystery, God knows the best for you and me

You are unique with lots of gifts  
Perfectly made, (there's) only one of you

Reach for the sky, don't lose your heart  
Reach for the sky, you are the flaming youth  
Reach for the sky, God's in control  
Reach for the sky, the flaming youth you are

Another day, another chance  
Your life it's only up to you  
He's always there, He always cares  
Jesus on the line for us all

You are unique with lots of gifts  
Perfectly made, (there's) only one of you

Reach for the sky, don't lose your heart  
Reach for the sky, you are the flaming youth  
Reach for the sky, God's in control  
Reach for the sky, the flaming youth you are

You are the music, you are the fire  
You are the hope, reaching higher

Reach for the sky, don't lose your heart  
Reach for the sky, you are the flaming youth  
Reach for the sky, God's in control  
Reach for the sky, the flaming youth you are

Aaahh! Flaming youth!

Oh!
