

Man with a mission

Golden Resurrection

I'm a man with a mission
God is the reason
I'm sharing this news for you

I'm a man with a mission
I've made my decision
My heart is marked by the cross

I'm a man with a mission
Running through fire
Until I reach my goal

I'm a man with a mission
Jesus is the answer
The door is open for the world

Sometimes I have to walk alone
To fully understand God's way

I'm a man with a Mission
Focus my vision
Using my voice for the call

I'm a man with a mission
And God is my captain
I'm sailing through the storms

Don't worry, just rest in my arms
I am your God, I have total control
Leave your worries behind

Ahhhhh!!!!

I'm a man with a mission
Bringing news 'bout salvation
For the lost, rich and the poor

I'm a man with a mission
Working for the kingdom
With Jesus you enter the door

Working for the kingdom
With Jesus you enter the door

I see the young, I see them all
Give them your time, before they will fall
We all want the truth, no false propaganda
Action not words, give them your time

See the lady, see the man
No time to lose, Jesus coming
Ending calling, the King is coming soon

I'm a man with a mission
Using my voice for the call
I'm a man with a mission
My heart is marked by the cross

I'm a man with a mission
I'm sharing good news to the world
I'm a man with a mission
Jesus - King of Kings!
