

Lost Love

Golden Smog

Lost love in the desert
Lost love on the sea
If you can put it behind you
But it's still beyond me

'cause hearts break in the summer
And they meet me in the spring
Broken hearts all around me
But I don't feel a thing

Lost love on the highway
Lost love on the phone
Lost love with a suitcase
Heading back home

Where hearts break in the summer
When they meet in the spring
Mines still wrapped inside me
But I don't feel a thing

You're my lost love, I can't see
That you're coming back for me
You're the travel I can't find
And it's only a matter of time
Should've taken it all so hard
Should've taken it all so hard

My lost love ...
