

Starman

Golden Smog

Didn't know what time it was, the lights were low
I leaned back on my radio
Some cat was layin' down some rock 'n' roll
Lotta soul, he said

Then the loud sound did seem to fade
Came back like a slow voice on a wave of phase
That weren't no DJ that was hazy, cosmic jive

There's a starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds
There's a starman waiting in the sky
He's told us not to blow it
'Cause he knows it's all worthwhile

He told me
Let the children lose it
Let the children use it
Let all the children boogie

I had to phone someone, so I picked on you, ooh, ooh
Hey, that's far out, so you heard him too, ooh, ooh
Switch on the TV, we may pick him up on channel two

Lookin' out your window, I can see his light
If we can sparkle, he may land tonight
Don't tell your poppa or he'll get us locked up in fright

There's a starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds
There's a starman waiting in the sky
He's told us not to blow it
'Cause he knows it's all worthwhile, oh

Let the children lose it
Let the children use it
Let all the children

There's a starman waiting in the sky
He'd like to come and meet us
But he thinks he'd blow our minds
There's a starman waiting in the sky
He's told us not to blow it
'Cause he knows it's all worthwhile, oh

He told me
Let the children lose it
Let the children use it
Let all the children boogie
