Goldfinger

So you're just barely getting by
not hurting no one
Sometimes you think that you're alright
sometimes you have fun
But on the way someone confronts you
and tries to shut you up
You're having trouble at your home
you want to get out
But you've got nowhere else to go
You gotta get out

But on the way someone confronts you and
tries to tell you that

You're going nowhere with your life!
whoa
You better listen to what's right!
whoa
But don't you see
that I can't hear you!
HEY! HEY! HEY!
