

# Forgiveness

Goldfinger

So you've decided to blame him again  
For all you choices  
Seem like the softer way out  
You think it just might make life easier  
Than swallow will it  
You've made a fine career out of guilt  
Maybe he just did the best he could with what he had  
Maybe he just did the best he could

Forgiveness forgiveness  
Try and let it go why don't you  
Forgiveness  
Just might save yourself

Forgiveness forgiveness  
Try and let it go why don't you  
Forgiveness  
Just might save yourself

So you've decided to blame him again  
For all you choices  
Seem like the softer way out  
You think it just might make life easier  
Than swallow will it  
You've made a fine career out of guilt  
Maybe he just did the best he could with what he had  
Maybe he just did the best he could

Forgiveness forgiveness  
Try and let it go why don't you  
Forgiveness  
Just might save yourself

Forgiveness forgiveness  
Try and let it go why don't you  
Forgiveness  
Just might save yourself

Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around  
Don't you know what comes around goes around

Round and round and round and round and rouuund....

Forgiveness forgiveness  
Try and let it go why don't you  
Forgiveness  
Just might save yourself

Forgiveness forgiveness  
Try and let it go why don't you  
Forgiveness  
Just might save yourself

So you've decided to blame him again  
For all you choices  
Seem like the softer way out

Forgiveness forgiveness  
Let it fucking go why don't you  
Forgiveness  
Starts with yourself
