

## Clowns

Goldfrapp

Only clowns would play with those balloons  
What d'ya wanna look like Barbie for  
Dear oh Lord, it's easy

Roasting, roasting, roasting deed  
Mahagony  
Titties that live on and on and on and on

Only clowns would play with those balloons  
What d'ya wanna look like Barbie for  
Dear oh Lord, it's easy

Only clowns would play with those balloons  
Passive when I'm in record  
Day and night I'm watching you

Roasting, roasting, roasting deed  
Mahagony  
Titties that live on and on and on and on

Only clowns would play with those balloons  
What d'ya wanna look like Barbie for  
Dear oh Lord, it's easy
