

# Horse Tears

Goldfrapp

Night has fallen  
Mute and cold  
My horse is crying

But you know all this time  
But you know all this time  
That you'd never want  
Keep you still  
Dare to come  
But you love me still  
But you love me  
Tears too cold

La la la la la la la la la la la ...

You have damned me  
And you're the one  
That you're forever  
In this time  
But you know  
That there's strength  
And you love a man  
Who stewed out these tears  
That you love the tears  
And you love the tears

La la la la la la la la la la la ...
