

Sharp as teeth and stars  
I can't give you up  
Like a moth to light  
Move like caramel  
Til dawn, you glow  
Til dawn, you glow

Soon be nothing of this world  
Soon be nothing  
Soon be nothing of this world  
Soon be nothing

Breathe back into life  
Stabs at happiness  
Now we're having fun  
Hold tight, don't look down  
Til dawn, you glow  
Til dawn, you glow

Soon be nothing of this world  
Soon be nothing  
Soon be nothing of this world  
Soon be nothing

Don't look down  
Til dawn, you glow  
Til dawn, you glow
