

Yellow Halo

Goldfrapp

One day
You said, you wanted to fly
A super kind
Oh, and I rose
To the moon
Wearing all white

One day, one year
The seasons come
The moon's still here
Don't break honestly
Wake up to me

What are you dreaming?

Yellow halo
All your colors
Yellow halo
Far and clean

Yellow halo
All your colors, back when
Yellow halo

Ooooooh ooooooh

Yellow halo

Yellow halo
All your colors, back when
Yellow halo
Far and clean

Yellow halo
All your colors
Yellow halo

Ooooooh ooooooh
