

# You Never Know

Goldfrapp

How long now  
How long now

I love you  
Steel painted eyes  
Feels like snow  
Change my head  
Days so long

You never know, you never know  
You never know  
You never know, you never know  
You never know  
Just how long it will be

Here we go again  
We're going round and round  
Here we go again  
We're going round and round

Today I know  
It's too long dare  
We'll see  
Feels like snow  
Chained myself to me

You never know, you never know  
You never know  
You never know, you never know  
You never know  
Just how long it will be

Here we go again  
We're going round and round  
Here we go again  
We're going round and round

How long now  
Longest story...
