

Maggot At Midnight

Goldie Lookin' Chain

'Ere we go ding ding, get onboard
Like Rocky 1, 2 and 3 I'm the lord of the dance
See my legs jiggle, feel the vibe
I'm maggot - Do the wriggle
Like Michael Jackson's thriller, I'll give you a fright
Hello to the darkness, goodbye to the the light
Hiphop vampire, pubes caked in shite
Welcome to my world, Maggot at midnight!

M a g..g o t, m a g..g o t, m a g..g o t, thats who he be! the maggot mc

I see the moon hung low, my shadow casts out
Spreading from Newbridge to the Coldra roundabout
Teenage virgin dreams with my fingers spread out
Across Newport town whilst Nosferatu's about
I spy through windows and creeping through doors
Sniff yer sisters underwear, whats mine is yours
They'll never catch me, I'll take a shit on the floor
The Maggot goes at midnight, like a blowie from a whore

Can I get a fcuking yeah yeah? (yeah yeah!)
Can I get a fcuking yeah yeah? (yeah yeah!)
Can I get a fcuking yeah yeah? (yeah yeah!)
Can I get a..you knows it bra!
Can I get a fcuking yeah yeah? (yeah yeah!)
Can I get a fcuking yeah yeah? (yeah yeah!)
Can I get a fcuking yeah yeah? (yeah yeah!)
Can I get a..you knows it bra!

You knows it!!

Hes the maggot

Whoop whoop!

Known far and wide

Lubing up my fingers, i'll stick them inside

He's the Maggot

Rinse out

Like colonic irrigation

Public enema number 1, relieving constipation!

Hes the maggot

Rude boy

Into drugs and sex

Scamming postal orders and forging cheques..

Hes the maggot,

Brock wide

Like Jeckyll and Hyde!

Leave em on love, I'll just pull em to the side

M a g..g o t, m a g..g o t, m a g..g o t, thats all you need! the maggot mc

I'm the maggot, the maggot, the prince of doom
I'm the hip hop vampire when i sees a full moon!

Hes the maggot, beware of his gaze

I look a bit like the bloke from the crystal maze
Crime pays! I use different disguises
Got access to bank accounts of various sizes
Blood on the cross, the candle's alight,
The hiphop vampire, maggot at midnight!

Can I get a fucking yeah yeah? (yeah yeah!)
Can I get a fucking yeah yeah? (yeah yeah!)
Can I get a fucking yeah yeah? (yeah yeah!)
Can I get a..you knows it bra!
Can I get a fucking yeah yeah? (yeah yeah!)
Can I get a fucking yeah yeah? (yeah yeah!)
Can I get a fucking yeah yeah? (yeah yeah!)
Can I get a..you knows it bra!

Come follow me, come follow me, come follow me now
Come follow me, come follow me, come follow me now
