As soon as we arrived I expressed my concern I might have known I should, should have learned Faded photos, a fool at each turn It seemed to me this trip, that we have been burned

Find me some time to find a way out of here I'd be inclined to walk my way home Find me a plane I'll fly my way out of here We were so blind to come here at all

Along came Insomnia
As if this week wasn't dragging on enough
One might reflect upon me a
It was such a relief to leave this ride on and on

Find me some time to find a way out of here I'd be inclined to walk my way home Find me a plane I'll fly my way out of here We were so blind to come here at all

No way out No way out No way out for me, and the girl

Find me some time to find a way out of here I'd be inclined to walk my way home Find me a plane I'll fly my way out of here We were so blind to come here at all

Find me some time to find a way out of here I'd be inclined to walk my way home Buy me a plane and I'll fly my way out of here We were so blind
