

# Pussyfootin'

Gomez

(Gonna let it down, gonna let it down,  
I'm gonna let it down [Repeats through song])

Pussyfootin'  
Pussyfootin' around  
Just got me down, yeah

Pussyfootin'  
Pussyfootin' around  
Has just got me down  
Because I don't care what's made you frown  
I'm just tired of my pussyfootin' around

Pussyfootin'  
Pussyfootin' around  
Has just got me down, yeah

Pussyfootin'  
Pussyfootin' around  
Just got me down  
Because I don't care what's made you frown  
I'm just tired of my pussyfootin' around

She has gone, gone to the stratosphere  
She has gone, gone far away from here  
She has gone, but it ain't right  
Yeah, it's coming alive

Pussyfootin'  
Pussyfootin' around  
Just got me down  
'Cause I don't care what's made you frown  
I'm just tired of my pussyfootin' around
