

Rie's Wagon

Gomez

Gonna take that medicine, a cold, cold medicine, make me what I
am

Gonna go down steady, gonna get my measure, I got credit with t
he medicine man

Shit I'm on fire, I'm on fire

Well, he mix the medicine and he take credit when he puts it in
my hand

Gonna go down steady, gonna get my measure, I got credit with t
he medicine man

Shit I'm on fire, I'm on fire

Rie's car runnin' me over but I don't mind
Rie's car drivin' me homeward 'cause I don't drive

Rie's car runnin' me over, runnin' me over but I don't mind
Rie's car drivin' me homeward 'cause i don't drive

Well, I'm smokin' in bed again, I didn't get the sign that said
I should be up by ten

Gonna go down steady, gonna get my measure, I got credit with t
he medicine man

Shit I'm on fire, I'm on fire

Shit I'm on fire, I'm on fire

Shit I'm on fire, I'm on fire

Shit I'm on fire, I'm on fire

Shit I'm on fire, I'm on fire

Rie's car runnin' me over but I don't mind

Rie's car drivin' me homeward 'cause I don't drive

Rie's car takin' me over but I don't mind

But i don't mind

But i don't mind

But i don't mind
