

## See The World

Gomez

Day to day  
Where do you want to be?  
'Cos now you're trying to pick a fight  
With everyone you need

You seem like a soldier  
Who's lost his composure  
You're wounded and playing a waiting game  
In no-man's land no-one's to blame

See the world  
Find an old fashioned girl  
And when all's been said and done  
It's the things that are given, not won  
Are the things that you earned

Empty handed, surrounded by a senseless scene  
With nothing of significance  
Besides a shadow of a dream  
You sound like an old joke  
You're worn out, a bit broken  
Asking me time and time again  
And the answer's still the same

See the world  
Find an old fashioned girl  
And when all's been said and done  
It's the things that are given, not won  
Are the things that you earned

You've got a chance to put things right  
So how's it going to be?  
Lay down your arms now  
And put us beyond doubt  
So reach out it's not too far away  
Don't mess around now, don't delay
