

We Don't Know Where We're Going

Gomez

The operation's on, movin' forward
We don't know where we're goin'
But we're on our way

So raise the alarm, movin' forward
We don't know where we're goin'
We're goin' our own way

So move away from home, it's happening
We don't know where we're goin'
But we're on our way

Pack up anything you own, it's happening
We don't know where we're goin'
We're goin' our own way

If we're gonna survive, we gotta let go of you
I'm sorry that it took me so long
To open up and tell you the truth

The operation's on, movin' forward
We don't know where we're goin'
But we're on our way

So raise the alarm, movin' forward
We don't know where we're goin'
We're goin' our own way

If we're gonna survive, we gotta let go of you
I'm sorry that it took me so long
To open up and tell you the truth

If we're gonna survive, we gotta let go of you
I'm sorry that it took me so long
To open up and tell you the truth
