Win Park Slope

Welcome into the new wave I, I guess it's been ten years You gotta try to remember The weight of the tide You gotta try to remember The weight of the tide

Yes, yes, yes you look wonderful And, I, I look like I could use some rest

You gotta try to remember The weight of the tide You gotta try to remember The weight of the tide

I'm on my best behavior You wait for the drop Wait for the drop

Cuz I gotta win, gotta win, let me win, gotta win Gotta win, let me win, gotta win, gotta win Let me win, gotta win, gotta win, let me win Gotta win, gotta win, let me win, gotta win, Gotta win, let me win, gotta win, gotta win Let me win, gotta win, gotta win, let me win Gotta win, gotta win, let me win, gotta win Gotta win, let me win, gotta win

You gotta try to remember The way things are You gotta try to remember the way things are

Win, gotta win, let me win, gotta win, Gotta win, let me win, gotta win, gotta win Let me win, gotta win, gotta win, let me win Gotta win, gotta win, let me win, gotta win, Gotta win, let me win, gotta win, gotta win Let me win, gotta win, gotta win, let me win Gotta win, let me win, let me win, gotta win Gotta win, let me win, gotta win, gotta win Gomez
