

## Glad To Sad To Say

Gong

Oh my,  
Sad to say goodbye,  
Goodbye to all the wisdom in the world.  
Glad to say goodbye,  
Goodbye to all the children in the world.

Close your eyes.  
Win the Prize.  
Get to Christ,  
He'll crucify you.

Oh my,  
Makes you want to cry.

There ain't no wise man  
Left in your eyes, man.

We'll bid for all our crimes, man.  
Got wind of all the time, man.
