

Fallin' Down

Goo Goo Dolls

Do you know, where you want to go?
I ain't got time for you now.
Do you think, that I'll ever be?
Cause all I ever wanted, so far gone.
And if I had my chance, I'd go along.

You're making me fall down,
I'm falling down again.
I wish you could fall down,
Can you catch me darling,

Do you see, what you do to me?
You ain't got time for him now.
Do you think, that he'll ever be?
Cause all I ever wanted, so far gone.
And if I had my chance, I'd go along.

You're making me fall down,
I'm falling down again.
I wish you could fall down,
Can you catch me darling,
